Deborah,

We would like to proceed with the Discovery Plus Search for the three individuals listed below. At this time we do not have social security numbers or dates of birth for any of the individuals, but will forward them to you if we receive more information. As you may guess, we are under a deadline to review the search results, thus, please let us know when you will be able to work on this matter.

If you have any questions, or need additional information (e.g. billing information), please feel free to contact me by phone or email. I will be out of the office from August 2nd through August 14th, however, my assistant, Debbie Munson should be able to provide you with any information you need. Thus, please forward the search results to my attention via email (with a cc: to dmunson@kmob.com) or via Federal Express at your earliest convenience.

Thank you,

Amy Christensen

Hi Amy,

In response to your request for an estimate on locating three individuals, I would recommend doing a Discovery Plus search utilizing each name and last known address. The cost is \$57 for each initial search and \$45 per detail (this is in addition to my hourly rate of \$55). This is quite a powerful search and it may very well be all that is necessary to locate the individuals.

You mentioned you may be able to obtain additional information on the three individuals - dates of birth or social security numbers would be great but not necessary.

Let me know if you have any questions or if you wish to proceed.

Thanks,

Deborah
